

POWER BANK

USB-C IN/OUTPUT The XB300 Hubble features a powerful 15W USB-C In- and Output. This means that you can easily fast charge your smartphone, as well as the power bank itself, with the integrated removable USB-C PD cable.

XB3 Power Banks feature an intuitive design, high quality materials, and class leading specifications. They feel great in-hand and are a joy to use, making the Hubble the ultimate mobile charging solution.

The Xtorm Power Bank automatically stops charging when the connected device is fully charged. This means you do not have to worry about overloading your mobile devices.

All Xtorm products have a 2 year warranty in case something goes wrong. We ensure that you will receive a replacement if the product fails within 2 vears.
